Hertfordshire Action on Disability Sponsorship Form

LONDON MARATHON, SUNDAY 23rd APRIL 2006

Two young doctors and identical twins Tamara and Tyara Banerjee are running in this year's London Marathon – and raising money for Hertfordshire Action on Disability. “We wanted to run for a local Charity close to our hearts so Hertfordshire Action on Disability was the perfect choice” said the girls.

Please sponsor them generously and help us raise some badly needed funds – We are hoping to begin the process of replacing the 24 hour transport service vehicles.

If you are a taxpayer by giving us your postcode you enable us to treat the money as gift aid and get an additional 28 pence for every pound you give from Inland Revenue

[illegible]
